

## Care Support Worker Development Programme

**Are you interested in a career within the NHS?  
Are you compassionate and caring with a keen commitment to  
improve patient wellbeing?**

NHS Professionals has an exciting opportunity to help you develop your career in healthcare.

If you can you commit to 30 hours per week, working flexibly over 7 days, we can offer you a free 6 day, classroom based training course followed by a paid ward placement for approximately 6 months to start your career in healthcare.

Throughout your training and placement you will receive support from a mentor and will be paid National Minimum Wage for the first 37.5 hours supervisory shifts. Following completion of your training, your salary will increase to £7.87 per hour for the duration of your 6 month ward programme.

On successful completion, you will be issued with a nationally recognised 'Care Certificate' and you will also have the opportunity to join the Trust as a permanent member of staff dependant on available vacancies.
