# Start your Adult Nursing studies in January 2017

Leeds Beckett University and Harrogate & District NHS Foundation Trust are excited to announce the launch of our first January cohort of BSc (Hons) Adult Nursing.

During your studies you will benefit from:

- Access to our specialist facilities, including the bespoke clinical skills suite.
- Practice placements with Harrogate & District NHS Foundation Trust, making up 50 per cent of your time.
- Access to experienced nurse mentors who will support your placement learning and activity.
- Travel permits from Harrogate to Leeds for university lectures and support and, if required, subsidised accommodation in Harrogate.
- The guarantee of a permanent role as an Adult Nurse with Harrogate & District NHS Foundation Trust, subject to successful qualification.

This popular course is physically, intellectually and emotionally challenging and will prepare you for an extremely rewarding career. The course is full-time and takes three years to complete, students are eligible to apply for a student loan or can self-fund.
