Your Lung Cancer Nurse Specialists are Simon Bolton & Jess Thackwray

We are based in the Harrogate District Hospital and cover the areas of Harrogate and District Foundation Trust. The surrounding areas of Wetherby, Collingham and Boston Spa are also included.

We have experience in cancer nursing and specialise in the care and support of people with malignant lung diseases.

These include:

- Cancer of the lung
- Mesothelioma

We work as part of the Respiratory and Lung Cancer Team. Working closely with Consultant Physicians: Dr Fennerty and Dr Taylor and the Medical Oncologist Dr Chan, Clinical Oncologist Dr Franks and the Thoracic Surgical Team led by Mr Milton.

How Can We Help You?

We are available to talk through the information you have been given, either in your own home or at the hospital.

This may include:

- Further information about investigations and test results.
- Further information about your disease and the treatment options.
- Information about the physical, emotional, spiritual or social support available.
- Specialist nursing advice throughout your care.
- Information about benefits.
- A link with other professionals involved in your care, or others who may be able to help you.

If you require a permanent written record of any consultation with the Lung Cancer Team, please inform me and we will provide this for you.

How can you contact us?

If you are calling from home, ring directly on: 01423 555872

or

e.mail:
