

Autism Assessment Information

What happens at the assessment?

We will meet you and your parent/carer to learn more about you.

Your appointment will be at one of these hospitals:

Harrogate Hospital

Friarage Hospital

Child Development Centre,
Northallerton

These are the waiting areas:

Harrogate Hospital

Friarage Hospital

Child Development Centre,
Northallerton

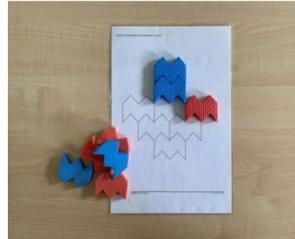

A team member will meet you and take you to another room for your appointment:

Your parent/carer might stay in the waiting area.

What will we do?

We will talk with you, and we may use some of these toys or games, to help us to understand you better.

Parent Appointment

Your parent/carer will have a phone or video call with us.
This can take up to 3 hours.
They should be in a quiet place.

What happens after?

We will look at everything we have learned about you to decide if you are autistic.
We will talk to your parent/carer about this.
Your parent/carer will get a report.
They can have a follow-up call with us.

We look forward to meeting you!
